

# CENTRAL

TURF & IRRIGATION SUPPLY

2016

# Sports Turf

## Management Guide

## PREMIUM PRODUCTS

### Sports Turf Seeds

- An assortment of quality seed that fits any turf requirement
- Unmatched selection and service within the industry

### Fertilizers

- Fertilizer w/ Pre Emergent Herbicide
- Fertilizer w/ Post Emergent Herbicide
- Fertilizer w/ Insecticide
- Many other options and blends to choose from

Get healthy thick, lush fields and lawns with premium turf products

## FIELD MARKERS & CONDITIONERS

### Red Infield Conditioner

Designed to meet the challenges of wet, dry or compacted infields, this unique durable granule helps create passageways for drainage and eliminate compaction for truer bounces and safer play.

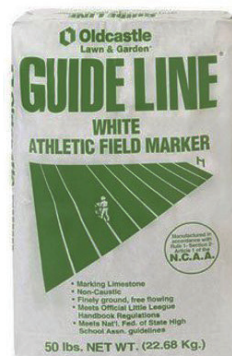

### Athletic Marking Paints

- Long lasting, Safe
- Brilliant Color
- For any turf, grass or field

### Select Blue

This premium infield conditioner keeps infields smooth, safe and resilient. It's uniformly sized granules and deep red color makes the perfect infield top dressing for professional looking infields.

### Guide Line White Athletic Field Marker

Guide Line White Athletic Field Marker is pulverized limestone. Approved by the NCAA. Use to define the boundaries of outdoor athletic playing fields. It's the choice of professionals who know that these white lines show up well against both grass and sand surfaces

## CONTROL PRODUCTS

### Control Products

- Pre/Post emergents; Selective/Non-selective weed killers
- Very effective on woody brush and plants
- Proven performance/Glyphosate 41%
- Extended application window

We carry a full array of Selective and Non Selective weed control products!

## ORGANICS

### Avenger Organics

- Fast acting – visible results in less than 2 hours
- Highly biodegradable – dissipates quickly
- It is non-toxic and can be used in areas near to people, pets and wildlife
- Works in cool & cloudy conditions (as low as 40° F)

### Central Organic Tick Free Insect Control

- Non Toxic
- For Ticks, Mosquitoes & other insects
- Will not harm Beneficial insects like Bees, Butterflies, and Earthworms

## DRAINAGE

### Pipe & Drainage

- Grates available in plastic, brass, steel, or cast iron
- Various sizes ranging from 6" to 24" square
- Use Universal Adapters to connect to 3" - 12" drain pipes
- Catch basins include sump area that collects debris to prevent clogging of drain pipe
- Bottom outlet option

### PVC Solvent Cement & Primer

- Primer formulation softens pipe & fittings prior to application of solvent cement.
- Professional grade, high strength PVC cement specially formulated to bond pipe and fittings.

We offer PVC Pipe, Swing Joints and Fittings for any job large or small.

Contact your local representative for details. Some products may not be available in all locations.

## CONTROL SYSTEMS

### Hermit Crab 2

- Self-adjusting weather-based watering schedules.
- Capacity up to 48 stations.
- Two-way wireless communication for downloading ET-based schedules, reporting irrigation and site data, and sending alerts.

### RAIN MASTER<sup>®</sup> CONTROL SYSTEMS

Serial Two-Wire connection for up to 200 stations (100 decoders maximum). 16 independently controllable irrigation programs

### Hunter<sup>®</sup> The Irrigation Innovators

#### I-40 & I-25

- Arc setting: 50 to 360 degrees
- Nozzle ranges I-40: #8 to #25
- Nozzle ranges I-40-ON: #15 to #28
- Through-the-top arc adjustment
- Quick check arc mechanism
- Water lubricated gear-drive
- Warranty period: 5 years

#### 640 Series

- Normally Open Valve-In-Head
- Stainless Steel, Engineering Plastic and Brass Construction
- Prevents low head drainage, puddling and soil erosion

## SENSORS & LOCATORS

### Solar Sync ET Sensor

The Solar Sync ET sensor is an advanced weather sensor that calculates evapotranspiration (ET) and adjusts Hunter controllers daily based on local weather conditions.

- Provides automated daily adjustment to program run times
- Wired and wireless models available
- No Water Window programming available (except X-Core)
- Rain and freeze shutoff
- Gutter mount bracket included
- Warranty period: 5 years (10 year battery warranty for wireless model)

### Valve & Wire Locators

Streamlines the locating process with Bluetooth headset integration for wireless headset operation, AC wall outlet power option in case batteries die or user wishes to conserve them, and inductive locating to eliminate the need to disconnect cables.

## SALES &amp; RENTAL

TORO®

## Dingo Compact Utility Loader

The Toro Dingo is designed with vertical lift loader arms, and 1,000-lb. rated operating capacity.

- Available with 35 attachments
- Versatile
- Wide and Narrow Availability
- Excellent Control

Available with 35 attachments

Swivel Auger Head

Vibratory Plow

Hydraulic Breaker

Cement Bowl

Tree Forks

Stump Grinder

Buckets

Bore Drive

## 30" Stand On Aerator

- Raise and lower tines with foot pedal
- Fuel capacity extends operating time
- Floating operator platform isolates the operator from vibrations for an exceptionally smooth ride

21" Hydro Aerator also available

We have compressors, vibratory plows, trenchers, hand held equipment & tools.

Ask your local Central representative for details.

## SPREADERS/SPRAYERS &amp; BLADES

## Central Spreader Commercial Frame

- Cushion Grip "T" Handle
- 13" Knobby Tires
- Two Piece Bearing /Bushing Axle Supports
- 175-lb Load Bearing Frame
- Three Hole Drop

Professional Frame also available

permagreen
