

# CENTRAL

TURF & IRRIGATION SUPPLY

# Sports Turf

## Management Guide

# CENTRAL PREMIUM PRODUCTS

## Sports Turf Seed

- An assortment of quality seed that fits any turf requirement
- Unmatched selection and service within the industry

## Fertilizers

- Fertilizer w/ Pre Emergent Herbicide
- Fertilizer w/ Post Emergent Herbicide
- Fertilizer w/ Insecticide
- Many other options and blends to choose from

# FIELD MARKERS & CONDITIONERS

## Red Infield Conditioner

Designed to meet the challenges of wet, dry or compacted infields, this unique durable granule helps create passageways for drainage and eliminate compaction for truer bounces and safer play.

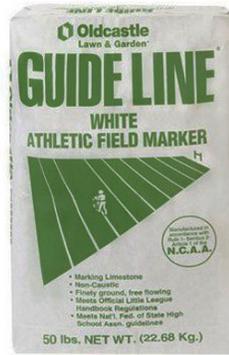

## Select Blue

This premium infield conditioner keeps infields smooth, safe and resilient. It's uniformly sized granules and deep red color makes the perfect infield top dressing for professional looking infields.

## Athletic Marking Paints

- Long lasting, Safe
- Brilliant Color
- For any turf, grass or field

## Guide Line White Athletic Field Marker

Guide Line White Athletic Field Marker is pulverized limestone. Approved by the NCAA. Use to define the boundaries of outdoor athletic playing fields. It's the choice of professionals who know that these white lines show up well against both grass and sand surfaces.

# TOOLS & ACCESSORIES

## SPORTS TURF MANAGEMENT GUIDE

## Easy Mound Clay Bricks

- Reduce rain-outs due to saturated fields
- Provide smooth surfaces that give infielders truer hops
- Produce a firm surface that gives sure footing and prevents injuries
- Create a dark red background that makes the white baseball clearly visible

## CONTROL PRODUCTS

## Control Products

- Pre/Post emergents; Selective/Non-selective weed killers
- Very effective on woody brush and plants
- Proven performance/Glyphosate 41%
- Extended application window

We carry a full array of selective and non selective weed control products

## ORGANICS

## Central Organic Total Insect Control

- Non toxic
- For ticks, mosquitoes and other insects
- Will not harm beneficial insects like bees, butterflies, and earthworms

## Goose Scram

- All-season ready to use
- Non-toxic, environmentally safe
- Safe near ponds, lakes, and rivers
- Ideal for open landing areas
- Great for nesting locations and golf courses

## DRAINAGE

## Pipe & Drainage

- Grates available in plastic, brass, steel, or cast iron
- Various sizes ranging from 6" to 24" square
- Use Universal Adapters to connect to 3" - 12" drain pipes
- Catch basins include sump area that collects debris to prevent clogging of drain pipe
- Bottom outlet option

## PVC Solvent Cement & Primer

- Primer formulation softens pipe & fittings prior to application of solvent cement.
- Professional grade, high strength PVC cement specially formulated to bond pipe and fittings.

We offer PVC Pipe, Swing Joints and Fittings for any job large or small.

Contact your local representative for details. Some products may not be available in all locations.

## CONTROL SYSTEMS

### IQ-Cloud v. 3.0

- Eliminate time consuming and costly visits to the site by controlling the irrigation system remotely
- Meet strict firewall and security restrictions
- Supports mobile devices of any kind
- Notifies you of any problems and shuts down the affected zones

### BaseStation 3200™

- Real-time data means you can control what you need to when you need to
- Smart watering with moisture sensors can save up to 62 percent versus standard water methods
- Responsive flow management and data analytics gives you the ability to optimize water resources
- Dynamic central control capabilities save you time and resources
- Leak detection programming will stop leaks fast and alert you in real-time

## ROTORS

**Hunter®**

### I-40 & I-25

- Arc setting: 50 to 360 degrees
- Nozzle ranges I-40: #8 to # 25
- Nozzle ranges I-40-ON: #15 to #28
- Through-the-top arc adjustment
- Water lubricated gear-drive
- Warranty period: 5 years

### 640 Series

- Normally Open Valve-In-Head
- Stainless Steel, Engineering Plastic and Brass Construction
- Prevents low head drainage, puddling and soil erosion

## WIRE & VALVE LOCATORS

### Pro900 Advanced Digital Cable and Wire/Valve Locator

- Three modes of connection for flexibility and safety
- Adjustable power with dual frequencies for different locating situations
- Ac power tracking
- Extended range for the largest irrigation systems
- Power hum rejection for fast and accurate tracking
- Sealed controls and display for durability and reliability

**SALES & RENTAL**

**Dingo Compact Utility Loader**

The Toro Dingo is designed with vertical lift loader arms, and 1,000-lb. rated operating capacity.

- Available with 35 attachments
- Versatile
- Wide and Narrow Availability
- Excellent Control

*Available with 35 attachments*

Swivel Auger Head

Vibratory Plow

Hydraulic Breaker

Cement Bowl

Tree Forks

Stump Grinder

Buckets

Bore Drive

**30" Stand On Aerator**

- Raise and lower tines with foot pedal
- Fuel capacity extends operating time
- Floating operator platform isolates the operator from vibrations for an exceptionally smooth ride

*21" Hydro Aerator also available*

*We have compressors, vibratory plows, trenchers, hand held equipment and tools.*

*Ask your local Central representative for details.*

**SPREADERS/SPRAYERS & BLADES**

**Central Spreader**

- Cushion Grip "T" Handle
- 13" Knobby Tires
- Two Piece Bearing / Bushing Axle Supports
- 175-lb Load Bearing Frame
- Three Hole Drop
