AUTHORIZATION & AGREEMENT OF TERMS & CONDITIONS:

The applicant hereby agrees that all purchases shall be in accordance with and subject to your terms and conditions of sale as may be set forth in your sales orders, invoices and other documents from time to time. The applicant hereby agrees to pay all invoices in accordance with the terms stated on such invoices and, further, to pay finance charges of 1 1/2% per month (annual percentage rate of 18% simple interest), or such other rate as may be set by us from time to time, on the outstanding balance of any invoice not paid from the preceding monthly billing period. However, if such finance charge has been deemed in excess of that allowed by the Law of any jurisdiction, then the applicant shall be responsible for payment of the highest finance charge allowed with that jurisdiction. All payments shall be applied first to unpaid finance charges and then to outstanding balances for goods purchased.

No endorsement or statement (e.g., "final payment") on any check for less than amount due will be deemed as payment in full, or accord and satisfaction of debts. In the event of default, debtor agrees to pay in addition to the outstanding indebtedness, all costs of collection including a reasonable attorney's fee. To secure payment for all purchases from Central Irrigation Supply of Canada, Inc., now and in the future, Debtor hereby grants Central Irrigation Supply of Canada, Inc. a continuing security interest in all of Debtor's presently owned or hereafter (a) goods, (b) instruments, (c) Chattel paper, (d) books and records, (e) accounts, (f) accounts receivable, (g) general intangibles, and (h) payment intangibles and together with all proceeds and all support obligations thereof. Central Irrigation Supply of Canada reports customer payment history to major credit bureaus. If you do not pay within terms, you will hurt your credit score.

These terms and conditions shall be construed under and governed by the laws of Ontario and/or applicable Federal Law regulations. If any provisions of these terms and conditions are in conflict with applicable law, that provision will be considered as amended or omitted so as to conform to the law, and the validity of the remaining terms and conditions shall not be affected. The applicant hereby states that he is authorized to apply for credit and to furnish this information on behalf of the above-named company and further states that said company is in good standing. The applicant furthermore personally guarantees the payment of any outstanding balances on the account established.

I authorize Central Irrigation Supply of Canada, Inc. in connection with the establishment and maintenance of the credit applied for, to investigate from this date on my credit worthiness and capacity and to obtain credit information from third parties necessary for a determination thereof.

I certify that the statements on this application form and on any additional page or pages accompanying this form are true and correct, and that no material information (favorable or unfavorable) known to me or specifically requested herein has been omitted. I have read the above and do hereby agree to abide by the terms and conditions as stated and those incorporated herein by reference should credit be extended to me.
